Re: United Arab Republic Delegation  
to the United Nations (Syria)

A confidential informant, who has furnished reliable information in the past, made available the following information concerning contacts made at the United Arab Republic Consulate, New York City, (Syria), and the United Arab Republic Delegation to the United Nations (Syria), both located at 515 Park Avenue, New York City. This information will be set out below on the date furnished by the informant, which date coincides with the date of activity:

May 22, 1958

This ship was scheduled to arrive in Beirut, Lebanon, on July 3, 1958.

A Mr. Drew of the Chase Manhattan Bank contacted Shirley Kotite and advised her that amounts for April and May were due in the account of Doctor Jawdat Mufti, the former Deputy Permanent Representative to the United Nations from Syria. Mrs. Kotite stated that Doctor Mufti was sincere in his efforts to pay his debts and suggested that Mr. Drew could reach him by writing care of the Ministry of Foreign Affairs, Damascus, Syria. She pointed out that Doctor Mufti travels between Damascus, Cairo, and Aleppo.

he would like to appear opposite Sir Anthony Nutting, former member of the British Government, on the Tex and Jinx show which was scheduled to be heard at 1 p.m. on May 23, 1958. He wanted to know if Doctor Tomeh, as a qualified Arab spokesman, would care to discuss the Middle East problems with Sir Anthony Nutting. Doctor Tomeh declined, stating that he thought that this should be handled by an Egyptian, since the Egyptian and Syrian Consulates are not yet in the same offices and the Egyptians were the ones primarily concerned in the disagreement with the British.
